

Lovesick

Jacob Whitesides

I said you ain't feel nothing like the wrath
Of the woman that you push too far
You can't run and you can't hide
She's gonna find just where you are
Said I wasn't trying to hurt nobody
I was just trying to have my fun
I went for the crown and then it all came down
Had true love, now I got none
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Because I'm lovesick
And there ain't no cure
'Cuz I keep on coming back for more
Oh no no no (Oh no no no)
I'm lovesick
Guess I got the blues
Doctor, help, I don't know what to do
Oh no no no
(I had true love now I got none 'cuz I'm lovesick)
Ain't felt nothing so cold
As the shoulder of a woman that's mad
I grew up in the North Pole
And I never had it quite this bad
When you finally get her attention
You better hold onto your hat
'Cuz I never felt the temperature heat up
Quite like when she looked at me like that
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Because I'm lovesick
And there ain't no cure
'Cuz I keep on coming back for more
Oh no no no (Oh no no no)
I'm lovesick
Guess I got the blues
Doctor, help, I don't know what to do
Oh no no no
(I had true love now I got none 'cuz I'm lovesick)
No, I never been a perfect angel
But I try to do the best I can
Sometimes I might just make mistakes
When I got a bottle in my hand
So when she went through my phone in the morning
Judging by the text she read
She said, "Boy, by the time I'm done with you
Well, you'd be better off dead???"
Oh no no no
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Oh no no no (Oh no no no)
Oh yeah yeah yeah (Oh yeah yeah yeah)
Because I'm lovesick
And there ain't no cure

'Cuz I keep on coming back for more
Oh no no no (Oh no no no)
I'm lovesick
Guess I got the blues
Doctor, help, I don't know what to do
Oh no no no
Because I'm lovesick
And there ain't no cure
'Cuz I keep on coming back for more
Oh no no no (Oh no no no)
I'm lovesick
Guess I got the blues
Doctor, help, I don't know what to do
Oh no no no
(I had true love now I got none 'cuz I'm lovesick)
