

# Magic Bullet

Jacob Whitesides

I wanna be your love and your best friend  
A quick fix and an all romance  
Goes on and on, on and on, on and on and on and on.  
I wanna be the one who's gonna get it right.  
Don't go close, swing along, lonely night  
Goes on and on, on and on, on and on and on and on.  
Oh so familiar kiss, winning us like this.  
I'm all in.

So hit me with your magic bullet, cut me deep.  
Hit me with your magic bullet, make me bleed.  
No I'm not hiding and there's nobody wanting to hold me down.  
So hit me with your magic bullet, make me bleed.

Radiating far, give me what you've got.  
I can take it cuz the love I've got  
Goes on and on, on and on, on and on and on and on.  
There's a chance that we could end tragic.  
If we're looking it will end, the magic  
On and on, goes on and on, on and on and on and on.  
Oh so familiar kiss, winning us like this.  
I'm all in.

So hit me with your magic bullet, cut me deep.  
Hit me with your magic bullet, make me bleed.  
No I'm not hiding and there's nobody wanting to hold me down.  
So hit me with your magic bullet, make me bleed.

Oh so familiar kiss, winning us like this.  
I'm all in.

So hit me with your magic bullet, cut me deep.  
Hit me with your magic bullet, make me bleed.  
No I'm not hiding and there's nobody wanting to hold me down.  
So hit me with your magic bullet, make me bleed.  
Hit me with your magic bullet, cut me deep.  
Hit me with your magic bullet, make me bleed.
