

Against Me

Jacquees

Ayy, shout out to H.E.R. (H.E.R., H.E.R., H.E.R., H.E.R., woo)
We did a whole tour together
That's my homie, she dope, talented
Shout out her background singers and the whole team (Hmm)

I could have dished it (Yeah)
Why did I hit it? (Dang, why?) I put myself in this position (Damn, for real
)
It's not her fault (Nah)
Postin' her picture (Yeah) thinkin' she's my misses (Damn, damn)
But I'm feelin' different (Fuck), hope I don't get caught (Shit)
Now you feelin' the wave (Yeah), oh, she done change (Wow)
Girl, I am a man 'cause now I'm lost
Different girls wearin' my chain, now you say I'm playin'
But before had nothin' to say 'cause (Yeah)

You brought all the issues (Issues)
You don't pick up when I text or call you
So don't hold it against me ('Gainst me)
Against me ('Gainst me), hold it against me (Against me)
Against me (Against me)
And you don't trust me lately (Lately)
I know I prolly got you goin' crazy (Ooh)
But don't hold it against me ('Gainst me)
Against me (Against me), hold it against me (Against me)
Against me, yeah

QueMix 3
Once again, shout out to H.E.R
Dig what I'm sayin', I love her music
Folarin, let's get it
What, what

Lord knows we got issues, we misuse our love
You miss me, I miss you, we ain't to no avail
I just want someone to grow with
You just want someone to grow out (Grow out)
I ain't talkin' 'bout no Sgt. Slaughter
But I ordered shawty a little cobra clutch (Yeah)
Let me tell the whole world somethin'
How you know when it's a thorough youngin'?
Buy her somethin' real, real expensive
If she post a picture, she ain't worried 'bout you
Yeah, can you be my best friend and my sister? (My sister)
Well it's my ride or die, I won't kill ya (I won't kill ya)
Ego kill chemistry, vanity kill pure love
God gave us these real flaws but he can heal us with the same touch
I ain't sayin' I'm like insane or somethin' (Nah)
I'm just sayin' you really need a hand
Like you put on a jacket at a insane asylum
Let me take you out, I mean yeah, yuh
Can you be my black Bonnie? I meant that (I meant that)
Yeah, as well as my ride or die, I won't kill ya (I won't kill ya, bah)
We go off on this energy, or we can overthink and not feel nothin' (Feel not
hin')
This the part I plan a poetry
So you can sit with me and give shade to 'em

Nah, oh, the irony, I'm writin' soliloquies over lullabies (Ooh, ooh)
To wake up the part of yo' mind that don't process of you and I (Oh, oh)
Oh, shawty, my reputation proceeds me (Yeah)
But my reputation deceives easily
If you ain't really seein' me for me (Hey-hoo)
Got this feelin' that every guy you question from here on after (Oh yeah)
Won't even have a clue what to do (Ohh-hoo-yeah)
So between me and you, it'll just be me and you (Hmm)
(Hey) To the next time we speak, peace (Yeah-eah-eah, what?)

Yeah, Jacqueses si-i-i-i-i-i-ing (Yeah, what? What?)
Yeah, Jacqueses si-i-i-i-i-i-ing (What? What?)
Yeah, Jacqueses si-i-i-i-i-i-ing (What? What? Ayy)
Jacqueses si-i-i-i-i-i-ing (Fa, fa sho')
