

All About Us

Jacquees

Stick together, make it, do anything

They say if you want it bad enough, you'll get it I know
Wanna tell you how I feel, I know it's been so long
I'm still riding with my niggas, that's the shit that I'm on
I been watching from a distance now, but baby we on
I tell the kids to keep on dreaming 'cause believing ain't wrong
I put my city on my back, now I'm the reason we on
If I could do it all again, I make sure Gylon stay home
All of my niggas tryna eat, bruh, that's the reason he's gone
And that's real

Sometimes you gotta put it aside, decide to walk away
But I promise, if we stick together we gon' make it through anything
It's all about us
We're too special for the world, dodging bullets, we're in trouble in
times
It's all about us
And mama always taught me as a boy, to help ya brother if he's fallin
g at times
And we'll never give up, never
We'll Never give up, we'll never give up, we'll never give up (never,
Jacquees sing)
It's all about us (oh yeah)
It's all about us (oh yeah, yeah, yeah)
It's all about us

My Grandma's prayers and all of her believing
I'm having more success seeing all my 'chievements
When time get hard, we need someone to believe in
My sister wanna ball, take my car without a reason
My mama lost it all for the dreams that I believed in
I got a Rollie on my wrist, I got things I ain't see yet
Oh Lord, good Lord, protect my voice
Keep us away from all the noise
I know when you see me I might be moving around
I'm singing this song to let you know that I'ma always stay down
That's real

Sometimes you gotta put it aside, decide to walk away
But I promise, if we stick together we gon' make it through anything
It's all about us
We're too special for the world, dodging bullets, we're in trouble in
times
It's all about us
And mama always taught me as a boy to help ya brother if he's falling
at times
And we'll never give up, never
We'll Never give up, we'll never give up, we'll never give up (never,
Jacquees, sing, aw yeah)
It's all about us
It's all about us (yeah, yeah)

It's all about us

It's all about, it's all about us (Cherish, Tobias, Nyielle, Tyler)

Yeah, yeah, it's special, it's special
