Atlantic

Jacquees

I'm like a bird with no wings to fly,
Ain't gonna win no matter how i try,
Like a pair of eyes with no tears to cry,
Feels like I'm barely alive.

I just wanna rip my heart outta my chest,
Crumple it up and put it in a box somewhere,
Tie it to a rock and throw it over the edge,
And let it sink to bottom of the Atlantic.

Like the Titanic that was lost at sea,
Let it sink to the bottom of the Atlantic,
I wanna lock it up and throw away the key,
Let it sink to the bottom of the Atlantic

Let it sink.
To the bottom [x2]
Let it Fall
To the bottom of the Atlantic

It's like I'm bleeding internally,
And I can feel the sharp pains in my chest,
It's like the doctor ran outta my medicine,
And I can feel in through my flesh

I just wanna rip my heart outta my chest,
Crumple it up and put it in a box somewhere,
Tie it to a rock and throw it over the edge,
And let it sink to bottom of the Atlantic.

Like the Titanic that was lost at sea,
Let it sink to the bottom of the Atlantic,
I wanna lock it up and throw away the key,
Let it sink to the bottom of the Atlantic

Let it sink.
To the bottom [x2]
Let it Fall
To the bottom of the Atlantic

I'm sinking at the bottom it's going down because of you,
Had to let it go just didn't know what else I could do,
Crossed the 7 sevens seas but I'm still lost and so confused,
Cause I just cant take it, no need to fake cause it's true,

I'm sinking at the bottom it's going down because of you,
Had to let it go just didn't know what else I could do.
I just wanna rip my heart out my chest, and throw it away.

Like the Titanic that was lost at sea,
Let it sink to the bottom of the Atlantic,
I wanna lock it up and throw away the key,
Let it sink to the bottom of the Atlantic

Let it sink.
To the bottom [x2]
Let it Fall

To the bottom of the Atlantic

I'm sinking to the bottom it's going down because of you,
Had to let it go just didn't know what else I could do,
Crossed the 7 sevens seas but I'm still lost and so confused,
Cause I just can't take it, no need to fake cause it's true,
