

Bugatti

Jacques

(Shit hard as fuck)

Baby, you got a body like a Lambo (Like a Lamb')
I just wanna drive it fast and then slow (And then slow)
Baby, you got a body like a Lambo (Like a Lamb')
I just wanna drive it fast and then slow (Yeah, Rich Gang)

Babygirl, I met your flow, yeah, oh, yeah (Oh, yeah, Rich Girl)
I start off with that "What you smoking?", smoking (Look up)
I'm sorry if I'm drag racing, racing (Racing)
I swerve on all these hoes that's with the playing, playing (Right?)

Wait, lemme rephrase that, 'cause I'm patient, I've been waiting (I've been waiting)

Like a '62 Chevelle two-door
Heard they don't make 'em like you no more
(They don't make em like you no more)
I've been drunk in love looking in your eyes
Like you pulled me over, this a DUI (DUI)
This a new wordplay, I'ma make you smile (Make you smile)
I could keep going, this could be a while (Be a while)
And you remind me of that Bugatti (That Bugatti)
And I'ma show you off, I'ma show you off
Girl, you remind me of that Bugatti (That Bugatti)
And I'ma put you on the side of me
I wanna see your hands up (Your hands up)
Making love in this traffic (This traffic)
I gotta be with the baddest, gotta be with the baddest
And I gotta see what's happening (Happening)
I pull up in the coupe tryna get wit' you
You be standing wit' your friends tryna look all cute (Yeah)
You keep your tank on "E", I keep my tank on "Full"
So, baby, jump off in the whip, 'till you get me a Bugatti

You remind me of a Bugatti, I wanna ride it
You're something like my car, I'm gonna drive it

Baby, you got a body like a Lambo (Rich Gang)
I just wanna drive it fast and then slow
Baby, you got a body like a Lambo (Rich Girl)
I just wanna drive it fast and then slow
