Jacquees

I paid for the pussy, okay  
Yeah, R.I.P. Lil Keed, for real, for real, for real  
Jacquees

Come say that to my face  
Bet you won't finish your sentence  
You know when I'm in it, it's hard to contain  
(What's all that shit you was talkin'?)  
Yeah, it's been a minute  
When I land in the city, I ain't playin' no games  
I'm on bullshit  
Let's gamble, go to my room  
Get these cameras out my face  
Be private  
Penthouse at the top address  
One-on-one, let's pop champagne  
Take it off, put it all in my face (Mhm-mhm, oh, oh)

What better place to hide away? (What better place to hide away?)  
I'm goin' out of bounds with my bae (With my baby)  
Somewhere where you can be loud  
Got you screamin' and shoutin'  
Spread that shit out, I'ma make it rain

I'm tired of chasin' (Oh, chasin')  
I'll take you outside, okay (Okay)  
I'll do everything he can't  
I'm tired of chasin' (Oh)  
I'm tired of chasin', bae (I paid for the pussy, okay)  
Okay (I paid for the pussy, okay, right)

I can't buy you, you ain't free  
For your love, I'll pay the fee  
Fly you out, you and me  
Just to show you I believe in you (You and me)  
Off the radar, off the streets  
See what everybody sees  
You got somethin' so unique  
I'll put you down, now, make that water leak out  
A couple days ain't shit, I need a week, now  
You be my right hand, I'm 'bout to finance all the vibes  
I know you like it  
I'm 'bout to show you what you what's life

What better place to hide away? (What better place to hide away?)  
I'm goin' out of bounds with my bae (Out of bounds with my baby)  
Somewhere where you can be loud  
We screamin' and shoutin' (I paid for the pussy, okay)  
Spread that shit out, I'ma make it rain (Yeah, I paid for the pussy, okay)

I'm tired of chasin' (Oh, chasin', oh)  
I'll take you outside, okay (Okay)  
I'll do everything he can't  
I'm tired of chasin' (Oh)  
I'm tired of chasin', bae (I paid for the pussy, okay)  
Okay (I paid for the pussy, okay, right)

Oh, oh  
Oh  
Ooh, oh  
Oh, oh
