

Dance For Me

Jacquees

Ooh, alright, yeah
Jacquees, Jacquees baby

I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
Please

Get your booty on the floor
Booty on the floor
Get your booty on the floor
Booty on the floor
Girl come and get it on the floor
Get it on the floor
Girl dance, dance for me

Girl I've been watchin' you all night
The way you break it down is what I like
If I got behind you would it be alright?
I'm just askin' 'cause I didn't come in here to fight
A'ight 'cause I'm a player, but I ain't playin' games
I'm askin' for ya age, ya number, and ya name
If ya got a boyfriend, hope he's not a hater
You should tell your girlfriends you will see them later
Come and dance wit' me shorty
Dance on me shorty
Break it, break it down and put your pants on me shorty
The way you do it, make me wanna put my hands on ya shorty
Don't be scared, we can act like this your birthday party
Go-go-go-go-go shorty it's your birthday
Oh, oh, oh girl you looking thirsty
And I want you in the worst way
Not myself, personal, I'm talkin' percy

I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
Please

Get your booty on the floor
Booty on the floor
Get your booty on the floor
Booty on the floor
Girl come and get it on the floor
Get it on the floor
Girl dance, dance for me

I don't want them catchin' onto us
Gotta keep it on the low, don't make it obvious
Slow it down boo we ain't in a rush
You move it any slower you gon' drive me nuts
I think that I'm in love with you but I can't tell you how
Maybe it's your swagger baby, baby it's your style
Don't know if it's your booty, maybe baby it's your smile
But it's somethin' 'bout you shorty got the whole party like wow
Dance wit' me shorty
Dance on me shorty
Break it, break it down and put your pants on me shorty
The way you do it, make me wanna put my hands on ya shorty
Don't be scared, we can act like this your birthday party

I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
I just wanna see you dance
Dance all on me (on me)
Break it down on me (on me)
It's your last chance for me (for me)
Please

Get your booty on the floor
