

Drip

Jacques

I just sent a few messages
Hope they all come through
They describe all the freaky shit
That I've planned for you
You gotta wear that dress I like
And them heels I like
And my favorite perfume
You can't wear no panties, girl
You know that's against my rules
Oh, aye

And I'ma just say it
Girl, your sex is the greatest
And if this is what Heaven feels like, Heaven's amazing
You know you the shit
Such a bad bitch
And when they ask me why I fuck with you
I say, "It is what it is"

She got that drip, drip, drip
Let it fall on me
Come hop on this dick
Drip, drip
Let it fall on me
Good enough to lick
Drip, drip
Girl, that's all I need
Girl, you got that drip, drip, drip
Let it fall on me
Baby

Girl, come lay your head up on this pillow in my bed
It's made of silk, so you ain't gotta worry 'bout ya hair
I like ya nails
When they're in my back
And I love the fact that you're taking all that, yeah
Staring in yo' eyes, sucking on them toes
Kissing between yo' thighs, make it drip some more
Lick you with my tongue while you on all fours
Girl, this pussy mine and, bae, I'm all yours

And I'ma just say it
Girl, your sex is the greatest
And if this is what Heaven feels like, Heaven's amazing
You know you the shit
Such a bad bitch
And when they ask me why I fuck with you
I say, "It is what it is"

She got that drip, drip, drip
Let it fall on me
Come hop on this dick
Drip, drip
Let it fall on me
Good enough to lick
Drip, drip
Girl, that's all I need

Girl, you got that drip, drip, drip
Let it fall on me
Baby

She got that drip, drip, drip
Let it fall on me
Come hop on this dick
Drip, drip
Let it fall on me
Good enough to lick
Drip, drip
Girl, that's all I need
Girl, you got that drip, drip, drip
Let it fall on me
Baby
