

# Drunk Texting

Jacquees

Why, yeah  
Baby, tell me what you want  
Baby, tell me what you want  
Baby, tell me what you want (Ooh yeah)  
Baby, tell me what you want  
Jacquees say

Got my head all in the ceilings (Ceilings)  
Roll me up like two blunts (Two blunts)  
Got me feeling some type of way  
Told you we were cool, I didn't like you (Like you)  
And the only thing that I got  
Is the pain that you've been feeding  
Faded, faded, faded, all because of you  
Lovin' how we kick it  
Can't nobody fuck with you  
We gon' break the rules  
Knew this shit would happen  
Why you do me this way?  
I just can't stop myself

So baby tonight  
I'll give you overtime (Time)  
I'ma tell you what's on my mind  
Cause the truth is too hard to fight (Too hard to fight)

So I'll be I'll be hot-texting, hot-texting, hot-texting you  
Hot-texting, hot-texting you  
Yeah baby I'll be hot-texting, hot-texting, hot-texting you  
Hot-texting, hot-texting you

Hot-texting you  
Hot-texting you  
Hot-texting you  
Hot-texting you, yeah

If by chance we end up doin' this shit right now  
Girl, we gon' have the best sex ever (Yeah, yeah)  
We gon' have the best sex ever (Oh, yeah)

Baby, tell me what you want  
Baby, tell me what you want  
Baby, tell me what you want (Oh, yeah)  
Baby, tell me what you want (Oh, yeah)  
Baby, tell me what you want
