Eastside Blues

Jacquees

Cheers nigga
We gotta take a shot when this one is on
Yeah, so pick me because I'm very special
I mean. I'm very, very special

I'm just a nigga from the East side (East side)
White tees, throwin' peace signs (Peace signs, like Crenshaw)
Backwoods, stuff a 3-5 (Right)
No cap, this is my life
I got some bitches by the Westin (Facts)
Winter clock, now they strippin' (Uh-uh)
Another woman with this filming (Right)
Scrollin' through my phone, I started textin'
Slim thick with a backside (Backside)
Talk shit, but she act nice (She act nice)
She know I'm legit, paid a big price (Big price)
Lookin' like a lick, all of this ice (This ice)
Yeah, yeah

Girl pick up your phone, it's me, yeah I'm callin'
Know just what I'm on, come on, girl stop stallin'
Two shots and a blunt wasn't a message (A message)
Make a nigga praise your body, you're a blessing (A blessing)

Say that you ain't home alone, then who's with you?
Say you with your friend, but I'm tryna come get you
I took the vibe, got you tryna add your best friend
Deep stroke, backstroke, this a lesson

Uh-huh, ayy
Still solid, nigga (Yeah, yeah)

I got a vibe for these bad bitches (These bad bitches, right)
Don't give a fuck 'bout her past bidness (Her past bidness, I don't)
I pull up in a black Bentley (A black Bentley, skrr)
We can stunt, just don't act different (Don't act different, don't)
Now, 9-to-10, I'm on the Eastside (Eastside, ooh)
OG's, drinking moonshine (Moonshine)
I'm FYB, 'til a nigga die ('Til a nigga die)
Cut my niggas up, he serve the pie (Ayy-ayy)
You're the baddest, you don't even try (Don't even try)
Arch your back and I'ma rub your thighs (And I'ma rub your thighs)
I got this stick, today you'll be paralyzed (Paralyzed)
Open your legs, let's go to paradise

I said. "pick up your phone, it's me," 'cause I'm callin'
Know just what I'm on, come on, so stop stallin'
Two shots and a blunt wasn't a message (This ain't a message)
Make a nigga praise your body, you're a blessing (Oh you're a blessing)

Say that you ain't home alone, then who's with you? (Ooh)
Say you with your friend but I'm tryna come get you (I'm tryna get you)
I took the vibe, got you tryna add your best friend (Your best friend)
Deep stroke, backstroke, this a lesson (This a lesson)
