

Everybody Knows

Jacquees

(XL Eagle made it)

Yeah

Everybody knows I'm yours (And my music so Major)

I'm yours (Woah)

Everybody knows I'm yours, I'm

Yeah

You know what you did

And when I see that girl, she know what it is

I'ma be blunt, I won't smoke for you

Bitches be plotting, they watch, they steal

Ain't see you in a minute, where you been?

I guess you been hanging out with your little friends, yeah

You can't be that tied up

Tell that lil' bitch that her time's up

Should've never brought her around us

Keep these sneaky lil' bitches from 'round us

You know I ain't gon' play fair

Snatch your bitch wig like, lace where?

Do something wrong, is it payback? Say that?

I'm feeling some time of way, is that okay?

Can a bitch be in her feelings for today? (Woah)

Can a bitch be in her feelings for today?

Calling out all my girls

Don't you fall for that nigga, be smart, girl

'Cause he's mine

'Cause he's mine

Yeah

Everybody knows I'm yours (Yeah)

Everybody knows I'm yours (Everybody knows)

I'm yours (Now Jacquees sing, yeah)

If your mine's, I'm yours (Yours)

'Cause your heart is pure (Pure)

Yeah, I know you been through bullshit with all them other boys (I know it)

I'ma show you off like trophy (Yes, I am)

Yes, I'ma kill the noise (I promise)

I'ma stay on my jive (Yes, I am)

Show them I'm still employed (Yeah)

Slow down, my little road runner

Hit my phone, call the old number (Call the old number)

And I'll sure pull up (Pull up)

Do or die, that's just the way it is (Just the way it is)

For life, yeah, girl, that's our relationship (Our relationship)

And everybody knows what we could've been

Aw, yeah, aw, yeah (What we could've been)

But we don't even know where we would've been, no, girl (Yeah)

Everybody knows that I'm yours (Everybody knows, I know they do)

And everybody knows that you're mine (Girl, you're mine)

You're mine, girl, oh

You know you're mine (Yeah)

'Cause everybody, everybody, everybody, everybody

Everybody, everybody knows (DeJ Loaf)

DeJ Loaf (DeJ)

DeJ Loaf
