Ex Games

Jacquees

I ain't checked up on you in a long time
There's reason I don't pop up on your timeline
I don't care bout how you feeling cause you not mine
Don't lie to yourself I tried to help
Rumors you was out here on your creep thang
But I ain't tryna rewind time or catch a freeze frame
If its true its okay, I don't care anyway
Put you in the back of my mind that's where you will stay baby

So you wanna play Ex Games, Ex Games
Them Ex Games, we too old for this shit
Them Ex Games, Ex Games
Them Ex Games, and you too late for this shit

Cause ain't nobody leading you on
That's the whole point of this song
Ex Games Ex Games you'll learn later on

Don't hit my line in the morning or the evening time
Say you came in without me but you'll be fine
Then you stop explaining yourself and go do better without me
I swear your straining yourself all you do is talk about me
I'ma call somebody up to come and see about you
Never knew this type of shit existed till I found you

So you wanna play Ex Games, Ex Games
Them Ex Games, we too old for this shit
Them Ex Games, Ex Games
Them Ex Games, and you too late for this shit

Cause ain't nobody leading you on
That's the whole point of this song
Ex Games Ex Games you'll learn later on
