

Why it say you keep lookin' at my page?  
Yeah (Run it up)

I know that you on my Instagram, watchin'  
Profile say private, but profile pic toxic  
I'm not cut off, cuz you been on the block list  
Send that Cashapp, I know how to unlock it  
I bet you drunk in your room in them drunk pics  
(Who you out there with? Oh, that's lit)

Let me log in my finsta  
I'ma follow yo finsta  
Likin' all of yo pictures  
Don't gotta hide, don't gotta hide, don't gotta hide, no

Hide, we grown, it's a vibe in the hideaway  
Say it's movin' like water, you clockin' this tea  
You a boss, let me see  
Put your money where your mouth is  
Closed mouths don't get fed, he like how it spread  
I'm willin' to bet on it  
I don't fake on my finsta, might crack in an instant  
He tryna get active, I'm talkin' 'bout in it  
He want it in 3D, I told him to spend it  
I'm on my toes if you tippin', I'm bougie, I mention my alias  
London Tipton, got a gag fee  
AKA I'ma work if you bag me

Baby, can we fuck till tomorrow?  
I got some dick you could borrow, ooh  
Mama, you fine like a model, so come get this genie up  
Outta this bottle, uh  
Yo ex-nigga blowin' your phone  
I'm watchin' you hittin' decline  
Said, baby, you pretty as fuck, it's a shame that my ass  
Tryna hit from behind  
So pull up and give it to me, said, "Baby, let's shoot a movie"  
And you be the mo'fuckin' star  
Usually don't fuck in the car  
Bae, this a Wraith, we in this bitch livin' large  
Silencin' all my alarms, laid up with bae  
She got her head on my arm  
She seein' hoes on my phone, leave me alone  
Baby, you the mo'fuckin' star
