Ayy, yo
Hey, ooh

M-m-mm-mm

Pull up with that cash on me
Full of Visas
Shawty pussy wet, pussy squirt
Like I squeezed her
Police get behind the Bentley coupe
I had to speed up
And with all these diamonds on me man
I swear I prolly freeze up
Ay, the Rollie might let me freeze up
When she notice me my neck a freezer
I been grindin', I can't take no breather
I got on and I put my whole team up
Yeah
Yeah
Yeah
Yeah, yeah oh yeah

This is DaVinci, DC DaVinci
My neck and my wrist is a freezer (ayy)
I cut bitches off tryna leech us (ayy)
Caught me a jugg, I'm 'a teach her
I fucked her good she tell me deeper
9 to 3 I tend to smoke up the tank
Couldn't stay real to them niggas who ain't
My city lean on me just like the drank
Sacrifice, they can't tell me what it takes
Did what I did, had a lot on my plate
I know they pocket watchin' and they hatin'
Put some in the bank and put some in the safe
Swear, I thank the Lord that we made it
The fuck niggas never believed us
They go flexin' on em for no reason
I got the sauce, nigga got the season
Lifestyle look easy

Pull up with that cash on me
Full of Visas
Shawty pussy wet, pussy squirt
Like I squeezed her
Police get behind the Bentley coupe
I had to speed up
And with all these diamonds on me man
I swear I prolly freeze up

When she notice me my neck a freezer

We hopped in that foreign, we shook when it started
Smokin' exotics, it smell like we farted
I go dumb like my paper, you know I'm retarded
And my pockets so stocked like a fat bitch from Norbit
We killing this fashion, this thing's out of orbit
It's somethin' 'bout Balmain that's real real important
2 cups he poured up, my partner be snorin'
Northside at [?] at 2 in the mornin'
Fuckin' 2 bitches can never get borin'
Came from the bottom, like eagles we soarin'
Go hit the strip club and go make it storm
I'm always so fresh like it's time to perform
My lingo is different, your shit is the norm
Push me a button, this [?] transform
We been had them checks, sometimes Nike get borin'
Lobster for dinner at 4 in the morn'

DeeQuincy

Where was you when there was no cat remainin'
Now look at them young niggas askin' for favors
I slide that ass on her, harrassin' her late
I bet she wouldn't mind goin' half on a baby
And if it's 200 on dash on occasion you know I just might have to race it

Pull up with that cash on me
Full of Visas
Shawty pussy wet, pussy squirt
