Austin, Texas, what's up  
Ladies and gentlemen, Moyer

There's a thousand games that I could play  
If I didn't love you, girl (If I didn't love you, girl)  
I know my life wouldn't be the same (Be the same)  
If you weren't on my team (If you weren't on my team)  
Girl of my dreams (Girl, of my dreams)  
You're all I need (You're all I need)  
It's for life with me (For life with me)  
Let's find a ring (Less on a ring)  
Hope me and you have this for life, girl  
Truth, it's not a lie

Girl, there's nothing I'd do to make you walk away  
They'll never trick me out of my place  
I know just what it takes  
Making sure that you're okay for life

I've been thinking 'bout making you a wife  
'Cause forever is never too long  
I'd do anything just to keep us in a space  
Without you, I'm so alone  
'Lone  
I'm alone  
Baby, I'm a  
'Lone  
I'm alone

Now, I can't picture life without my girl (Without my girl)  
I wouldn't be the same (Wouldn't be the same)  
Girl, your love is so sweet, so enticing  
I pray we never part ways (Part ways)  
I'll protect you at all costs  
Let's take a vacay, baby, call off  
If you're not perfect, what's perfection? (Girl, you're perfect)  
Just like church, you full of blessings

Girl, there's nothing I'd do to make you walk away (Nothing I'd do, to walk away)  
They'll never trick me out of my place (Yeah)  
I know just what it takes  
Making sure that you're okay for life (Okay)

I've been thinking 'bout making you a wife (Thinking 'bout making you a wife )  
'Cause forever is never too long (Forever is never too long)  
I'd do anything just to keep us in a space  
Without you, I'm so alone (Alone, oh)  
'Lone  
I'm alone  
'Lone  
Alone
