

# Good Lovin

Jacquees

Oh-oh-oh  
Hey, hey (SK)  
What?

Panties to the side how you like (How you like)  
Pull you in the party, skip the line, yeah, yeah  
That ass is somethin' that I could get behind (Get behind)  
I put your love on top like Beyoncé, yeah  
Nothin', you don't owe a nigga nothin'  
Poppin' up at every function  
Let me put you onto somethin'  
Put you on game for a minute  
A player, I admit it  
Been at it for a minute  
You say you want commitment, oh

I can't be that man, no, no, no  
Tell me that I need to mature  
May not be what you lookin' for  
But I got what you need, that's for sure

Good lovin' (Yeah, yeah)  
(Good love, good love) Call me when you need  
Good lovin' (Yeah, yeah)  
(You're worthy of) Ask and you'll receive  
Good lovin' (Ooh, yeah)  
(Good love, good love) And you know I give  
Good lovin' (Yeah, yeah)  
You're worthy of lovin'

Know I got what you desire  
Don't worry 'bout what you done heard, yeah  
That's absurd, now (What? Yeah, let him talk)  
I'm a gentleman, let you come first  
When I peeped that you been on a search, yeah (On a search)  
For somethin' you've been missin' (Woo)  
Strip you down (Yee)  
With no clothes on you (Clothes)  
Yeah, I'ma love you down  
And snatch your soul from you (Soul)  
I'm havin' this money now (Money)  
Let me strike this pose on you (This pose)  
Let me strike this pose on you (This pose)  
I know you want somethin' more, but...

I can't be that man, no, no, no  
Tell me that I need to mature  
May not be what you lookin' for  
But I got what you need, that's for sure

Good lovin' (Yeah, yeah)  
(Good love, good love) Call me when you need  
Good lovin' (Yeah, yeah)  
(You're worthy of) Ask and you'll receive  
Good lovin' (Ooh, yeah)  
(Good love, good love) And you know I give  
Good lovin' (Yeah, yeah)

You're worthy of lovin' (Yeah, yeah)  
(Good love, good love) Call me when you need  
Good lovin' (Yeah, yeah)  
(You're worthy of) Ask and you'll receive  
Good lovin' (Ooh, yeah)  
(Good love, good love) And you know I give  
Good lovin' (Yeah, yeah)  
You're worthy of lovin'
