Y'all know what this is

Girl, your last nigga not him  
As far as I see  
Young nigga snappin' like D4L  
Bet he can't do it like me  
And baby, you top-shelf  
Can't be reached  
You a high-profile type of girl, but you keep it lowkey

I'm telling ya  
He can't love ya  
Like I love ya  
Baby, and you know it too  
You should never wanna be with a man  
That really ain't tryna spend  
No paper on ya, no time wit' ya  
Us real niggas, we shine different

Ain't too many of us left  
Shawty, you can put that hurt on the shelf  
Yeah, your last man ain't listen with me  
You ain't gotta repeat yourself  
How a nigga fumble a bag like you?  
Look at that walk and that ass on you  
Face card solid  
Ain't no declining  
I'll spend all my cash on you

Ooh, loyalty  
Ooh, good sex  
Ooh, don't worry, shawty, you know I got that  
Ooh, protection  
Keep them steppers with me  
You way too special, baby
