

# Hold It Down

Jacquees

Wha?  
Jacquees  
Quemix  
Anotha' one  
Khaled fuck wit me  
Hey

She hold me down (Rich Gang)  
She love my ways (Rich Girl)  
All we been dreamin' 'bout  
Do anything you want and I'mma sit back and blow your mind  
Blow your mind  
All we been dreamin' bout  
Just close your eyes and I'mma make your dreams come right to life  
Right to life  
(Wha? Wha?)

Sit in my drop and see the stars (Sit in my drop and see the stars)  
Baby know Jacquees is a star (Baby know Jacquees is a star)  
Don't even trip on where I go (Don't even trip on where I go)  
She down to ride but she gon' roll (She down to ride and she gon' roll)  
She screamin, "yeah", that I'm her goals

'Cause she hold me down (Wha? Wha?)  
She the one who gonna hold me down  
She the one who gonna hold me down  
She love my ways (Rich Gang)  
I'm the only young nigga pulling up, Sitting next to you let me give you some (Skrrt)  
Girl, I want you right now  
You the one that got all the need  
Gimme all of you  
Give you all the Quee girl  
I'm on my way (I'm on my way)  
She the one who gonna hold me down  
She the one who gonna hold me down

She got some problems back home  
So I beat it up  
She ain't with that bullshit at all  
So I lay it down  
Maybe it's the Atlanta in me  
I'm back here  
That's why I be going oh so hard (So hard)  
Threw it up, she never backed up, she stuck with me (Oh)  
All her friends were sayin' all the shit about me but still she stuck wit' me (Oh)  
Threw it up, she never backed up when these fake niggas start switchin' (Nah )  
And everybody know I got a real one (Yeah)  
Who I'mma kill for  
She hold it down  
She never made it to the bed so we fuckin on the floor  
I pick her up and then I take her for round  
I'm gonna give you what's in store then I'mma give you more  
Girl, 'cause you deserve it  
Oh, you deserve it

Oh, girl, I thank the lord I got a bad girl  
Swervin' all over my last girl  
And she hold it down  
I'mma give this girl the world 'cause she hold me down

She hold me down (Wha? Wha?)  
She the one who gonna hold me down  
She the one who gonna hold me down  
She love my ways (Rich Girl)  
I'm the only young nigga pulling up, Sitting next to you let me give you some (Skrrt)  
Girl, I want you right now  
You the one that got all the need  
Gimme all of you  
Give you all the Quee girl  
I'm on my way (I'm on my way) (Rich Gang)  
She the one who gonna hold me down  
She the one who gonna hold me down
