

How Bout Now

Jacquees

"Tom you ready? It's that Drake beat....

I'm ready...[phone rings]...Hold on Tom...

Hello?...

I mean like wassup with you? Ever since you got with Rich Gang you act like you don't know me no more and you all the way in Miami.

You not coming back to Atlanta? Ugh...you make me feel so ugh."

Always knew I dreamt bigger than them big head ass niggas

Oh Yeah

Crazy how these hoes change now that my pockets got a little thicker

Stay down with me, shit ion know probably saw the bigger picture

Thuggin' like all my niggas, a problem I call my niggas

Remember I put errbody on the block list in my phone for yah

Remember when you far away in pain, I would drive in the rain for yah

Folks smell a little weed, know a nigga like me would take the blame for yah

Yeen give a fuck bout me back then, girl how bout now

Cause I'm off right now and you're stuck right now

Ooohhh, thought you had it all figured out, but I'm off right now and you're stuck right now

Ooohhh, you thought that lil loving that we did was enough, girl how bout now

Yeah, how bout now, girl what about now, girl how bout now, girl what about now

Yeah..

Yoouuu (Yoouuu)

My heart belongs to you

Ohh yeah Jacquees sang yeahhh

My heart belongs to you

Look..

If I had one wish it would probably be for errthang

We the same sign so you know we disagree about errthang

Sometimes I'm the best and I suck, man she done called errthang Me...Ain't even gotta look, No I got these boys shook like Jordan (like Jordan)

Cross over the land and make you stand, I made you feel important (important)

Got your mama face and looks, aw man I think you gorgeous (you gorgeous)

Tried to fool the team with ring, you beam[?] no wedding (pow pow)

Foolish[?] show me think he was gone get it

Still wanna show your ass on IG, I'm gone let you
Oh you can have it all
Yeen really fuck with me way back then
How bout now, cause I'm off right now and you're stuck right now
Ooohhh, thought you had it all figured out, but I'm off right now and you're stuck right now
Oohhh, you thought that lil loving that we did was enough, girl
how bout now
Yeah, how bout now, girl what about now, girl how bout now, girl
l what about now
