

# I Do

Jacques

I was sittn down yesterday  
Just singing my life away  
Thinking 'bout good times  
Couldn't make up my mind  
I wish 'em for a better day  
I need to find a happy home  
'Cause I can't do this on my own  
Since you're by my side  
I'll be down to ride  
Untill the day I'm dead and gone

'Cause I can't and I won't  
I won't be without you be without you baby

Now I'm walking these lonely roads  
My love for you it shows  
I give you my heart and soul  
As if I never see you again  
I know things could have been  
Easier than this  
But I'll never give up on you  
If nobody loves you I do

Everybody had their doubts  
Wanted me to walk away  
Said that you will do me wrong  
And soon I'll be coming home  
But instead I chose to fight  
'Cause I've waited all my life  
For you to come my way  
And stay  
I can't I can't and I won't I won't  
Be without you be without you

Now I'm walking these lonely roads  
My love for you it shows  
I give you my heart and soul  
As if I never see you again  
I know things could have been  
Easier than this  
But I'll never give up on you  
If nobody loves you I do

I do I do I can't I can't be without you

Walking these lonely roads  
My love for you it shows  
I give you my heart and soul  
As if I never see you again  
I know things could have been  
Easier than this  
But I'll never give up on you  
If nobody loves you I do

'Cause I can't (I can't) and I won't (I won't)
