Your boyfriend ain't shit
Leaving you crying
He got his ass beat at the club the other night
Thinking that he tough and tryna fight
My niggas did it, cause I told 'em to
And I fuck with you
So what you wanna do?
I'm coming through, tonight
Make you feel right
Turn your phone off shawty
I'm bouta go off shawty

And I don't give a fuck
And I don't give a fuck
If he finds out
If he finds out
I don't give a fuck

If he finds out

See that nigga so lame
See that nigga so lame, shawty
He be fucking with your bestfriend

I ain't no snitch, no
Shouldn't trust that bitch, no
Fuck all that drama
Gone and call your momma
And tell her I'm coming over

You just shutup and take this dick, oh
You just lay back and take this dick, oh
