

Infatuated

Jacquees

You make me feel, so amazing
Lovin' the things you do
So surreal to me baby
I never find someone like you, and now I know that
That it's so real baby
I never thought in a million years, in a million years, oh
It would be you (it would be you)
It would be you (it would be you)
It would be you (it would be you)
It would be you, when I'm infatuated

I'm infatuated (oh woah)
So infatuated (so, oh, oh)
Just can't get you out my mind (can't get, can't get you off mind)
I just can't get you out my mind
So infatuated

Too tensity
To give me your love (your love)
Cause I'll cherish it like a prized possession
Boy ill swear you, cause ain't no way (ain't no way)
You ain't got nobody, just don't believe it (you don't, I don't believe it)
Just can't believe it (can't believe, can't believe, can't believe)

That it would be you, you (it would be you)
It would be you, woah (it would be you)
It would be my baby, yeah (it would be you)
And for that, I'm infatuated
I'm infatuated
I'm so, so infatuated
I just can't get you out my mind
I just can't get you out my mind

Forgive me, I'm only just speaking my mind
You know that, you know that I'm just half crazy
For you girl, Ill take on an army when you're gone
To show you that I care, boy, you

And I'm so, I'm so, I'm so, so infatuated
I'm infatuated (baby, I can't get you out my mind)
So infatuated (thinkin' bout you every day, every night, every day, every night)
I just can't get you out of my mind
I just can't get you out of my mind (can't, I can't, I can't get you out of my mind)
Jacquees sing, yeah, yeah
So infatuated
I'm so infatuated
