# It's Like

**Jacquees**

Who made this shit?
TayTay made the beat
Mmm
Jacquees

Like I know it's like a thousand times (Times)
A thousand lies (Lies)
It's like (Like) a thousand cries (Cries)
With a thousand wipes (Wipes)
It's like a thousand tissues with a thousand rags (Rags)
It's like a thousand issues with a thousand bags (Yeah)
It's like driving wit' you, moving fast (Fast)
It's like vibing wit' you, trying not to crash (Crash)
It's like, can we talk it over instead of starting over?
It's like we're never sober, time is passing over
It's like I call you over, wanna pull you closer (Closer)
Rub your legs and shoulders, then I bend you over (Bend you over, over)
I'm tryna show you how I control her
It's like you was mine before us, now we taking over

Will you trust me? (Que, will you trust me babe?)
With your body
I know what's on your mind
Damn sure won't waste your time
Meet me at the finish line
You know that ass is mine
Tell me do you trust me? (Do you?)
With your body (Mmm)
I know what's on your mind
Damn sure won't waste your time
Meet me at the finish line
You know that ass is mine (That it's mine)

Buy your secrets, girl, for me (You're good, look)
You right where you're s'posed to be (Where you're s'posed to be)
You slide for the weekend (Yeah)
It's time to get even (Let's do it)
I love when you're close to me (To me, I do)
You just need some time
You just need a night off (Night off)
Pop her back, then wine (Right?)
Rub on you, them thighs soft (Thighs soft)
Forget your past
Let's make it last (It last)
I won't let you go out sad (Sad)

Will you trust me? (Que, will you trust me babe?)
With your body (With your body)
I know what's on your mind (What's on your mind)
Damn sure won't waste your time
Meet me at the finish line (At the finish line)
You know that ass is mine (That ass is mine)
Tell me do you trust me? (Do you trust me?)
With your body (With your body)
I know what's on your mind
Damn sure won't waste your time (Won't waste your time)
Meet me at the finish line

You know that ass is mine (That it's mine)
