Jacquees

Oh-ohh  
Oh yeahh  
Oh yeah (come on)

If you're horny, let's do it, ride it, jump on it  
Loose your clothes, naked, come and jump on it  
If you're horny, let's do it, ride it, jump on it  
Loose your clothes, naked, come and jump on it

Real niggas get nasty, baby  
I want that ass up, face down  
Can I trust you 'round my real ones?

Jacquees say  
Mixtape, 12 play, she wanna hear something, yeah (hear something)  
It's real late, foreplay, I'm tryna hit something, yeah, yeah

She wear long weaves, she's my model, yeah  
I'll beat your back 'till the morning  
And I'll promise you won't wanna stay horny
