

# Kisses Down Low

Jacquees

She likes her kisses low (Kisses low)  
She likes her kisses low (Kisses low)  
Oh, how she likes her kisses (Her kisses)  
I be XO (I be XO)  
Yeah

Well if I put in overtime, overnight  
Doing everything you like, I'll go so right, yeah  
I'll hold you close, squeeze you tight, look you deep inside your eyes  
Baby, know you love it  
But nothing can compare to when I kiss you there  
And please don't lie when you lie in my arms  
Baby, you feel so sexy

So girl I'm take my time (Yikes)  
Send chills down your spine (Woo)  
I'm a young boy  
But you don't mind (Yikes)  
That's why I gotta make you mine (Woo)  
Girl, you turn me on (Yikes)  
You got me feeling hot (Woo)  
Now I'm really goin' (Yikes)

She like, she like, she like her kisses down low  
Makes her arch her back  
When I give it to her slow  
Baby, just like that  
She like her kisses down low  
Make her arch her back  
When I give it to her slow  
Baby, just like that  
She like her kisses down low  
Make her arch her back  
When I give it to her slow  
Baby, just like that  
She like her kisses down low  
Make her arch her back  
When I give it to her slow  
Baby, just like that  
Yeah (Yeah)

I'm about to get a little rough, is that okay?  
Your body's crazy, I'm 'bout to do my thing  
Ride on the wave  
And you love it when I misbehave  
Fast to slow, not playin' games, we can do everything  
Girl, if somebody could see (see) the way you say Jacquees  
Ooh, they won't believe it (believe it), even I don't believe it (Believe it )  
But I love the way I feel it

So girl I'm take my time (Yikes)  
Send chills down your spine (Woo)  
I'm a young boy  
But you don't mind (Yikes)  
That's why I gotta make you mine (Ooh)

Speed it up, heat it up  
Let it go, let it go, let it go  
Until I get, get enough  
You never know, never know, never know  
You like that there  
Yeah, right there  
A little more to the left  
Yeah, right there

So girl I'm take my time (Yikes)
