

## Know You

Jacquees

Know you probably use to something else different  
I know you probably thought I was coming different  
Know you thought niggas probably done listening  
But I know you, I know you

I wanna get to see what they don't see  
What they see what I don't  
My mind is the clouds, I wanna see you, I wanna see you go down  
low  
My baby baby don't want, don't want, don't want, don't want for  
nothing  
My baby baby don't want, don't want, don't want, don't want for  
nothing

I swear that body is a guide, need to find this  
I'm gon' put you inside my palace I'll be your highness  
I ain't even know they make em' like you no more, no more, no m  
ore  
I heard your man been tripping, baby you ain't gotta worry 'bou  
t that no more

I wanna get to see what they don't see  
What they see what I don't  
My mind is the clouds, I wanna see you, I wanna see you go down  
low  
My baby baby don't want, don't want, don't want, don't want for  
nothing  
My baby baby don't want, don't want, don't want, don't want for  
nothing

She fly high in the sky like angels  
Hating hoes hate on her halo  
She don't give em' time when niggas try to rhyme  
She know how the game go  
But when I speak to you, you know I'm coming different  
So is it too much if I ask you for them digits  
I'm tryna show you that I'm really kickin' pimpin'  
I wanna show you baby really how I'm living  
Yaaaaah

Know you probably use to something else different  
I know you probably thought I was coming different  
Know you thought niggas probably done listening  
But I know you, I know you

I wanna get to see what they don't see  
What they see what I don't  
My mind is the clouds, I wanna see you, I wanna see you go down

low

My baby baby don't want, don't want, don't want, don't want for  
nothing

My baby baby don't want, don't want, don't want, don't want for  
nothing
