

Like Baby

Jacques

Did everything that I had to do to make it by
Did everything on my own and now that boy so fly
They can't see what I'm doing they try to ask me why
Stay down for the come up now I got it multiplied
All them digits they were sleeping
I went slipping on my pimpin'
Try to tell em I'mma get em
I'mma hit em like I'm pitching
And all them broken promises and wishes that they make
You know they know my name
I'm 'bout to change the game
Light it up for the season I should've been here
Now you want something, nah you should've been here
Bathroom so big I can kick shit in it
Mtv should come see how the kid livin'

They know that I got it
They know that I, they know that I got it
They know that I got it
They know that I got it
They know that I, they know that I got it
They know that I got it
They know that I got it
They know that I, they know that I got it
They know that I got it
They know that I got it
They know that I got it

Now I'mma Cash Money nigga like Wayne (like Wayne)

Girls I'm tryna, tryna do somethin' probably that you probably ain't never d
id
My main chick is at my side line, and its a big problem that I trying to bal
ance it
So what's happening like right now, you know I ain't into no convo
I'mma show you some real good and I'mma get you back in my condo
Turnt up and I'm pourin up with my partner them from Primetime
Making plays, scoring fast, I feel like a young primetime
Can't sit back and wait for no man, bruh. I ain't into no small talk
Had to throw the golds in my mouth so they can know when I talk the money ta
lk
Had to fill up my tank, had to fill up the bank
Had to fill up the swisher, roll it up with that stank
Had to cut shawty off, because she wasn't leading me to no good
Had to cut the niggas bruh, because I swear to god they no good

They know that I got it
They know that I, they know that I got it
They know that I got it
They know that I got it

They know that I, they know that I got it
They know that I got it
They know that I got it
They know that I, they know that I got it
They know that I got it
They know that I got it
They know that I got it
