

Make You Fall In Love

Jacquees

Oh na na na na na
Oh na na na na na
Oh na na na na na

I can make you fall in love
With that oh na na
With that oh na na
With that oh na na
I can make you fall in love

With that oh na na
With that oh na na
With that oh na na
I can make you fall in love

With that oh na na
With that oh na na
Yeah, I can make you fall in love
With this ooo ooo

You wun know what to do
You licking me
La la la la la la la la la
You tie me up with a blindfold
Hit me in my blindspot

Woah woah woah

I just feel like my pussy better
Than all them bitches you been with
(All them bitches)
Take his ass on a field trip
You know me like to build with 'em
He gone feel the difference
? I'm take the pain
? I'm bust down, no prescription
(Hold on, wait)

You and me could be you and me
But together shit
That's your decision
I'm cool where I'm at
(I'm chillin)
Why you teasin me?
Why you doing all that?

I wrote your name in the sand baby
You got me drunk as hell

Oh na na na na na
Oh na na na na na
Oh na na na na na

I can make you fall in love
With that oh na na
With that oh na na
With that oh na na

I can make you fall in love

With that oh na na
With that oh na na
With that oh na na
I can make you fall in love
With that oh na na
With that oh na na

I hope you ready for what I'm about to do
Let me slide inside you
Put ya legs right beside ya head
I wanna hit it in
Your favorite position
You moan while I'm lickin' you pussy
Girl you soakin wet... so wet

I just think you're better than all them bitches that's battling

We fuck for [?] no settling
Take a break then I'm back again
I wanna take my time
Cause your body is the mission
You and me could be you and me
But together shit, that's your decision
Cause I ain't cool where I'm at
Girl you know I want you
Why you doing all that?

I wrote your name in the sand girl
I tat your name on my hand

I wrote your name in the sand girl
I tat your name on my hand

Oh na na na na na
Oh na na na na na
Oh na na na na na

I can make you fall in love
With that oh na na
With that oh na na
With that oh na na
I can make you fall in love

With that oh na na
With that oh na na
With that oh na na
I can make you fall in love
With that oh na na
With that oh na na
