Missing You

Jacquees

Major

Oh, girl, I'm sorry that I let you go (Go)
I'm sorry that I let you down (Down)
Back on the road, the money calling
It feels like I'm missing something (Yeah)
Girl, I need you back around
It ain't the liquor got me talking

Listen, bae, don't switch the subject (Yeah)
Hop in, let's get into something
I'll give you my heart, show you I'm all in
Girl, you still a dime-a-dozen
We ain't do this all for nothing

I must admit
Every time I'm lit
I start missing you (You, oh)
Missing you, oh
I must admit (Hey)
Every time I'm lit (I'm lit)
I start missing you (You, oh)
Missing you, you

Seven days a week
Especially on Sundays
Why you don't love me?
Heart on the runway
Know you 'bout sleep
For that, I'm sorry
I cut you deep
You was my shawty

Listen, bae, don't switch the subject (Yeah)
Hop in, let's get into something (Come on)
I'll give you my heart, show you I'm all in
Girl, you still a dime-a-dozen
We ain't do this all for nothing

I must admit (Admit)
Every time I'm lit (Every time)
I start missing you (Missing you, I start)
Missing you, oh (Missing you, oh, yeah)
I must admit (Hey)
Every time I'm lit (Every time, I'm lit)
I start missing you (You, oh, I start)
Missing you (Ooh, you)
