

More Than A Little While

Jacquees

Lost At Sea 3

FYB

Yeah, yeah

Pull up and get faded, yeah
Your love is contagious, yeah
Do you dig what I'm sayin'? Yeah
I want you around for more than just a little while
Pull up and get faded, yeah
Your love is contagious, yeah
Do you dig what I'm sayin'? Yeah
I want you around for more than just a little while

I'm full of temptation (Temptation)
I've been patiently waitin', yeah (Waitin')
It's times like this wit' you, I need (I need)
I wanna stick wit' you, no, sign me (Sign me)
Baby
How far are you willin' go? Yeah
You controllin' traffic, tell me when to stop and go (Stop and go)
When I dim the lights, put on a show (Put on a show)
Know you love I'm perfect attendance, honor roll, baby

Pull up and get faded, yeah (Faded)
Your love is contagious, yeah (Contagious)
Do you dig what I'm sayin'? Yeah (What I'm sayin'?)
I want you around for more than just a little while
Pull up and get faded, yeah (Faded)
Your love is contagious, yeah (Contagious)
Do you dig what I'm sayin'? Yeah (Sayin')
I want you around for more than just a little while

I'ma cut you slack
Baby meet me halfway
Gimme what I want, when I had a long day, ay
I'll make you my Bentley, put down windows, turn a ways, aye
Put you on a plate, eat you, flip you, grip your waist
I got weed, you wanna bless?
I got weed, you wanna test?
Shawty pulled me on her chest
Tryna fuck me in the Wraith
'Sposed to finish, shawty great
Said she gay, I fucked her straight
From the back, from the tat
DaVinci pullin' on your legs
She on the ground, she on a roll like a grape
When she call, she scream my name
She bossy, bossy like a grape
That beat gon' make her run away
My pocket full, I met a ways
I keep them in the box
That lady not my problem
You know me, might fuck your box
You know me, ain't got no worry
Don't wanna park up in a lot
I'm catching girls, she don't want that
She fuckin' wit me, 'cause he not

She said she with me, 'cause I'm real
The presidents will make a bill
Pull up, come see how I live
Got a pack with me for real
Pull up, come see what it is

Pull up and get faded, yeah (Faded)
Your love is contagious, yeah (Contagious)
Do you dig what I'm sayin'? Yeah (What I'm sayin'?)
I want you around for more than just a little while
Pull up and get faded, yeah (Faded)
Your love is contagious, yeah (Contagious)
Do you dig what I'm sayin'? Yeah (Sayin')
I want you around for more than just a little while

DeeQuincy
Yeah, okay
Wouldn't you appreciate me? Here's another chance (Another chance)
We all God's creation, but I'm much advanced (I'm much advanced)
Left hand dry, that pussy got my other hand
They might let you call me by my government
Okay, come on, let's get faded, baby, raise your bar, yeah
Diamonds, Jacqueses hanging, yeah, they making noise, yeah
Pay that bill too much, but it still fall apart
Just in case you try to touch, I'm strapped like overalls
If I ever fall off, I'ma land on my feet, I got good balance (Balance)
Try to pull up, you coming with me, wanna trap in the Atlas?
I got a Discover, that's no key to bring the bag in

Pull up and get faded, yeah (Pull up and get faded, girl)
Your love is contagious, yeah (Your love is contagious, girl)
Do you dig what I'm sayin'? Yeah (Dig what I'm sayin'? Come jump on it)
I want you around for more than just a little while (Yeah)
Pull up and get faded, yeah (Pull up and get faded, girl)
Your love is contagious, yeah (Your love is contagious, girl)
Do you dig what I'm sayin'? Yeah (Dig what I'm sayin'? Come jump on it)
I want you around for more than just a little while (Yeah)

DaVinci
Yeah
