Never Again

Jacquees

Yeah, eee-eee
Yeah
Round three
Jacquees
Mmm-mmm, mmm

If I apologize, yeah (Apologize)
About how I'm livin' (I'm livin')
Will that buy me some time, yeah? (Yeah)
'Cause I don't want you missin' ('Cause I don't want you missin')
Love is a battle (A battle)
And I'm tryna win it
But, baby, don't worry 'bout me, for you I am committed
And I'm sorry for all I've put you through

Thank you for never giving up
I know, there's times where I was shady
Hoein' too much up
Gettin' too drunk, and actin' crazy
Well girl, you are my life
Hope one day, we make a baby
I'ma do you right

I'll never do it again
Never make you cry
Never tell a lie
I'm never leavin' room for niggas to get in
Just give me time
I'ma make it right
I can't risk you and I
So, I'll never do that shit again

Let me wrap you in my arms (In my arms)
And take you far away (Away, yeah, oh)
An adventure full of love, yeah (Love)
Maybe we should roll back (Yeah)
I'm so glad that you're here (You're here)
I know you could've walked away (Walked away)
So long ago (So long ago), but I'm glad that you stayed

Thank you for never giving up (Never)
I know it's times where I was shady (Times I was)
Hoein' too much up
Gettin' too drunk, and actin' crazy (Ooh-ooh, ooh woo)
Well girl, you are my life
Hope one day, we make a baby
I'ma do you right (You right)

I'll never do it again (Ooh-ooh, ooh)
Never make you cry (Yeah, ayy)
Never tell a lie (Yeah, yeah)
I'm never leavin' room for niggas to get in (Oh yeah)
Just give me time
I'ma make it right
I can't risk you and I
So, I'll never do that shit again
