Jacquees

It's late night and I'm tipsy,
And you just called and said come get me
I know I shouldn't drink and drive,
But I just wanna see them thighs.
Spread open like an eagle,
We do shit only we know.

Hit it from the front,
Slide 'em to the side.
It's okay, it's okay.
It's alright.
You a pro, you a pro, you a pro.
So this is how it goes, how it goes, how it goes.

I'm tryna do everything that you love to do.
I'm tryna do everything that you want me to.
So don't ask me no questions.
Mmmm, so don't ask me no questions.
So don't ask me no questions.

I'm outside at your front door,
And you know what I've come for.
It's exactly what I'm missing,
So tonight I'm on a mission.
Scratching me like a tiger,
I'm tryna take it higher.

Hit it from the front,
Slide 'em to the side.
It's okay, it's okay.
It's alright.
You're a pro, you're a pro, you're a pro.
So this is how it goes, how it goes, how it goes.
Yeah, uh huh.

I'm tryna do everything that you love to do, whoa.
I'm tryna do everything that you want me to.
So don't ask me no questions.
Na na, so don't ask me no questions.
So don't ask me no questions.

Your body up under my body, all up under my body.
We still grinding, deep diving now.
Non-stop it won't stop, and it won't stop. [x2]

I'm tryna do everything that you love to do, whoa.
I'm tryna do everything that you want me to.
So don't ask me no questions.
Na na, so don't ask me no questions.
So don't ask me no questions.
