

Only If

Jacques

Yeah
Ooh
Yeah, yeah
I'ma love you
Wassup?
Wassup?

Define our love, it's gotta mean "everlasting"
I would do it all over again if you ask me, yeah (For real?)
I would do it all over again if you ask me (Yeah, yeah)
I would do it all over again if you ask me (Only if)

Only if you let me, yeah (Que)
Only if you love me (Yeah)
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you love me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me (It's Jacques)
Love love me (Oh, no, ah)
Only if you love me (Yeah)

You know what it come too (You know what it come too)
You know what I've come through (Yeah)
When all them other bitches is scared
Who you gonna run to? (Who can I run to?)
Who you gonna run to? (Who you gonna run to?)
A thousand miles, I could still play your games
I know my love, yeah, I invested
All of my time, I can't get it back, yeah
All of my flaws, and you accepted
Didn't want my love, I should've kept it (Oh)
I should've kept it, I should've swept it under the rug
'Cause I know better

Define our love, it's gotta mean "everlasting"
I would do it all over again if you ask me, yeah
I would do it all over again if you ask me (If you ask me, yeah)
I would do it all over again if you ask me (Only if)

Only if you let me, yeah
Only if you love me (Talk to 'em)
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you love me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me
Love, love me (Oh, no, ah)
Only if you love me (Listen)

I've had many experiences but none like you (None like you, nah, mhm)
When I pull up, is you serious? I know how you do (I know how you do, quit p
laying, know how you do)
You're the best I ever had (Oh)
It ain't tall (Not at all)

Believed in me, knew I was something (Uh-huh)
It's not over, please don't make assumptions (Mmm)
I need your addy
I'm pulling up, it's been a minute since I seen you (Yeah)
I got your favorite song on my speakers (Ooh)
Girl, you got my heart and I need you (Oh, damn)
This feeling, it won't fade away
Hurry up and find me (Hurry up)
Take me somewhere only you'll be (Only you, it's gotta be real)
Can you define?

Define our love, it's gotta mean "everlasting" (It's gotta mean "everlasting")

I would do it all over again if you ask me, yeah (Ooh)
I would do it all over again if you ask me (If you ask, if you ask me)
I would do it all over again if you ask me (Only if)

Only if you let me, yeah (Only if)
Only if you love me (Talk to 'em, if you let me)
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me
Only if you love me, only if you love me
Only if you let me, only if you love me
Only if you let me, only if you love me
Love, love me, yeah (Oh, no, ah)
Only if you love me

Mmm

Mmm
