

# Out Of The Ordinary

Jacquees

This is out the ordinary  
'Cause I miss you, wanna kiss you, and be with you, yeah  
This is out the ordinary  
Don't wanna put nobody else above you  
It's gettin' kinda scary, what you doin' baby?  
This is out the ordinary  
'Cause I miss you, wanna kiss you, and be with you, yeah

I don't know what you do to me (Yeah) but I like it, baby (You know)  
I don't know, but whatever it is, keep it goin', goin', yeah  
I'm gettin' used to this, no, no, no (Nah)  
But I like it, oh  
I'm gettin' used to this, but I don't  
Mind it, mind it, mind it, oh

This is out the ordinary (Yes it is)  
'Cause I miss you, wanna kiss you, and be with you, yeah  
This is out the ordinary  
Don't wanna put nobody else above you (Above you)  
It's gettin' kinda scary, what you doin' baby?  
This is out the ordinary ('Cause I)  
'Cause I miss you, wanna kiss you, and be with you, yeah

There's something 'bout the way that you came in here (Yeah)  
Sexy and you know it (Uh-huh)  
I'm just tryna show you I'm serious (Right)  
Feel it in my stomach  
You are more than money  
You're the one I want  
I got a spot for you 'cause you pure (Yeah)  
Russian Roulette, kiss on my neck, shawty (Shawty)  
Show me that ass, tell me that that's all me  
It's movin' too fast, can't let it pass at all  
You get on your back when you on that alcohol

This is out the ordinary  
'Cause I miss you, wanna kiss you, and be with you, yeah  
This is out the ordinary ('Cause I)  
Don't wanna put nobody else above you (Above you, ooh)  
It's gettin' kinda scary (Scary, oh woah), what you doin' baby? (Mm)  
This is out the ordinary  
'Cause I miss you, wanna kiss you, and be with you, yeah
