

Piece Of Heaven (Round 2)

Jacquees

Oh, oh, yeah

Girl, you take the pressure off me
Feels like I'm on the [?] when I'm with you
And baby, yeah, if there's anything about me you don't like
I'm willing to change anything for you (For you)

'Cause you are my (Piece) piece of heaven
My (Piece) piece of heaven, baby, yes you are
And for a while you been my (Piece) piece of heaven
My (Piece) piece of heaven, baby

I don't want to rush
Girl, take your time
Whatever's fine with me (Whatever)
Put my light on you, share your knowledge with me
And put all your problems away (Away)
Wrap your arms around me (Around me)
I thank God you found me (Found me)
'Cause I'm happy that you're in my life, baby

'Cause you are my (Piece) piece of heaven
My (Piece) piece of heaven
And for life you'll be my (Piece) piece of heaven
My (Piece) piece of heaven, baby
I'll always remember, yeah
