Jacquees

Major

We done had some headaches
We done had bad days
But I never had nights like this
That sex gon' make us behave
Tonight I'm hoping

I'm hoping this sex will save us
The sex will save us from going overboard
I hope that this sex will save us
The sex will keep us from going overboard this time

You told me "don't leave" (Yeah)
I didn't listen
Knowing I'm here to stay, don't need your permission (Yeah)
Tell me 'bout your day, bae, I wanna be involved (Hey, yeah, yeah)
When you get a attitude (Yeah)
