

Set It Off

Jacquees

What? Alright

How many licks do it take till you cum?
All in your body, I hit it till you're numb
I know that you're older, age ain't nothin' but a number
Fuck the nigga that you got leachin' over your shoulder
Yeah, I'ma put you right over here
I'ma fuck you all in the chair
No no other can give you this
I'll say it girl, set it off
I've been waitin' to break you off

All it took me was one time
All it took me was one time
All it took me was one time

Pushin' on my body, yeah, you make me feel numb
I know that you're younger, age ain't nothin' but a number
We should get away, go away for the summer
Dej and Jacquees, yeah we just gettin' started
Every time I'm around you my pussy get to throbbin'
I don't pay attention to niggas, you make me feel like a woman
I can ride it boy set it off

(So won't you come and bring it to me
Girl lets go and shoot the movie)
I'ma ride it boy set it off (set it off)
I'ma ride it boy set it off (set it off)
I'ma ride it boy set it off (set it off)
(Climb on top and do your job)
All it took me was one time
All it took me was one time
One time, oh Dej I know you how they don't
Girl I'ma hit it like you want

Go, go and mean nothin' to me
Young nigga givin' you the D
Girl I know you wanna get up
Let me fuck you till the sun comes up
Girl I want it all the time
Lately you've been (on my mind)
I've got a thing for you
And this is what I wanna do

(So won't you come and bring it to me
Girl [?] me)
I'ma ride it boy set it off (set it off)
I'ma ride it boy set it off (set it off)
I'ma ride it boy set it off (set it off)
(Climb on top and do your job)
All it took me was one time
All it took me was one time
One time, oh Dej I know you how they don't
Girl I'ma hit it like you want
