

## She Knows

Jacquees

You know every time I come I put it down  
She know how to keep a nigga coming 'round  
'Cause she know I'm what all the girls is looking at  
'Cause they know soon as my song come on it's a wrap

Said I love the attention  
That I get when I do what I do, girl  
Working out on your body  
I'ma let you tell me what you want me to do  
( 'Cause she knows, she knows, she knows)  
Ayy, ayy, she knows  
( 'Cause she knows, she knows, she knows)  
Ayy, ayy, she knows  
( 'Cause she knows, she knows, she knows)  
I know, I know she knows  
( 'Cause she knows, she knows, she knows)  
I know, I know she knows

She bad but she ratchet when she on the floor  
So bad I gotta give her everything she want  
I told her shawty I can tell he's been fucking you wrong  
She said daddy I need it now so just come on  
Let's fuck to your new song

Said I love the attention  
That I get when I do what I do, girl  
Working out on your body  
I'ma let you tell me what you want me to do  
( 'Cause she knows, she knows, she knows)  
Ayy, ayy, she knows  
( 'Cause she knows, she knows, she knows)  
Ayy, ayy, she knows  
( 'Cause she knows, she knows, she knows)  
I know, I know she knows  
( 'Cause she knows, she knows, she knows)  
I know, I know she knows
