

So Cold

Jacquees

Oh
Ooh ee, yeah (Oh, oh, oh)
Woah (Aye)
Cold
(Jacquees sang, yeah, yeah)

Girl It's cold outside
Come bring yo' ass in (uh)
No more frontin'
No more askin' (askin' oh)
I need you by my fireplace
Come on and be my sleigh (snowin', snowin')
Wind is blowin' (blowin')
But I keep it warm inside (warm inside)
I'll make it hot tonight (it's hot tonight)
Want you to notice (notice)
How we gon' post it babe (post it babe)
Come in on my sleigh ride
Travel the world in one night, oh

Early Christmas Eve (Eve)
You were the gift I wanted
Fire outside, (side) playin' around
So cold, so cold, so cold (when it's so cold)
So cold, so cold, so cold (aye, aye, yeah)
If you really need somebody (somebody)
To keep you company (yeah)
Just pull up and say somethin'
Pull in these streets (oh)
I'm so cold, so cold, so cold (cold)
So cold, so cold, so cold (oh)

Told me your family wasn't in town
Just hit me, let me know if you're still down
I'm at the crib by myself
I might need a little help
To calm this fire with you my will, baby (with you)
I already checked the forecast (forecast)
I want it bad, you already know that (know that)
I'm havin' presents for your ass (your ass)
If you wanna stay in the cold, you can go with that

Early Christmas Eve (Eve)
You were the gift I wanted (uh, why, why, why)
Fire outside, playin' around
So cold, so cold, so cold (cold, yeah)
So cold, so cold, so cold (come inside)
If you really need somebody (somebody)
To keep you company (oh)
Just pull up and say somethin'
Pull in these streets
I'm so cold, so cold, so cold (yeah, cold)
So cold, so cold, so cold (ooh, yeah)

Ooh, baby
So cold baby
What you gonna do without me?

What you gonna do without me?
Ooh, ooh, yeah
