

# Something For Christmas

Jacquees

Got so many girls that want somethin' for Christmas  
That I cannot give 'em, no  
Got so many girls that want somethin', somethin' for Christmas,  
oh  
Ooh, ooh, ooh

All these pretty presents  
Don't know who's gonna get it  
Pretty, pretty princess  
Don't need no convincin'  
Don't tell me what I aught to do  
Especially when it's for you  
But if she don't get none, she gon' be mad on Christmas  
And if she mad, then might I just give her [?]  
Forgive me if I say some things that I didn't mean  
It's probably in your head, don't blame it all on me (so many girls)

Got so many girls that want somethin' for Christmas  
That I cannot give 'em, no  
Got so many girls that want somethin', somethin' for Christmas,  
oh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

I could show you love more than on just this day (this day)  
Tell me how a gift explains all the love we made  
I've been on the gift, way more than I received (received, receive)  
So, if you want gifts, then tell me what you've done for me (for me, for me)  
Oh, baby, this ain't addin' up (no)  
Tell you I did a lot to ya (yeah)  
Signin' stores, I was baggin' up (uh-huh)  
Fuck a tag I got the cash with us (yeah)  
Sex is good, but that ain't good enough (right?)  
Can't make me feel like I ain't good enough (aye)  
'Cause I won't go and buy a lot of stuff (uh)  
For all your girls on Christmas, baby

Got so many girls that want somethin' for Christmas (that want somethin' for Christmas)  
That I cannot give 'em, no (no, no, no)  
Got so many girls that want somethin', somethin' for Christmas,  
oh (Christmas)  
Ooh, ooh, ooh  
Ooh, ooh, ooh, (so many girls)  
Yeah

So many girls
