Oh, mama  
Same shit different toilet  
You dig what I'm saying?

I'm still that nigga if they askin'  
I'm still that nigga if they askin'  
Too much money with a bitch  
I can't go back and fourth  
I'm still that nigga if they askin'

I done ran it up through the roof  
Baby you can see  
I done ran it up through the roof  
Baby you can see  
Put panoramic all over her future  
Made it clear  
She gone tell um' that I'm still that nigga if they askin'  
Still that nigga if they askin'  
Still that nigga if they askin'

I can make a bitch nut with just the blink of an eye  
Fuck her one time she talm' 'bout tying the knot  
See you gotta live a little  
'Cause niggas dying a lot  
Girl without me you wouldn't be the same  
She got options but  
She knows what she'll be missing  
If she fuck 'round and lose a nigga like me  
She gon' need life support  
She lose a nigga like me  
You know I'm grade A  
And all these other niggas lookin' type B  
Ain't nun of these other niggas  
Gon' do ya like me  
I put baguettes on a bad bitch  
Ye ye yeaee  
Threw a set of tits on a bad bitch  
Ye ye yeaee  
Heard you fucked around and cuffed  
The nat nat she was for the gang  
Give me neck neck for this CC  
I'm talking Celine
