

They Not Lying

Jacquees

The God damn door unlocked and shit, the hell going on?
Answer the phone
Hello?
Bae, where you at?
I just got to the house
I left
What the hell you mean you left?
I'm not finna sit around, wait on you, hold your ass down
What the hell you mean?
I seen you wit' your new bitch on Instagram
Man, come on with all that, man
Fuck you
Fuck you then
Pussy ass bitch
Instagram
Fuck Instagram
Rich Gang

Why you acting like I met you in the church?
You had a whole man, truth hurts
I know, but I don't walk with blindfolds on me
Everything you do, just know I see
At least I kept it real
Told you how I really feel
You'll only know what I admit to
Don't look at me like that, 'cause you know you ain't shit too
All them girls in your DM's saying that they wit' your man
They not lying
And, baby, I ain't hiding
If you wanna leave, I got some hoes that wear your sizes

Oh, ooh-oh, ooh-oh (Oh, oh)
Oh, woah, woah, woah (Oh, oh)
Oh, ooh-oh, ooh-oh (Yeah, yeah)

I never meant to hurt you
I never meant to hurt you, love (No, never, never)
I never meant to hurt you, love

If I told you I had bitches in my room
While on the phone wit' you
Acting like I'm all alone
Would you judge me?
Or would you think of me?
If I was honest 'bout that moment with my ex
Except we didn't, but we did have sex
Would you judge me?
Even through the good, bad and ugly?
Now, what kind of man would I be
To leave your heart broken, hooked up to IV's?
Thinking I'm gon' be someone I don't know how to be
But you knew this when you told me that you were down for me

Oh, ooh-oh, ooh-oh (Oh, oh)
Oh, woah, woah, woah (Oh, oh)
Oh, ooh-oh, ooh-oh (Yeah, yeah)

I never meant to hurt you
I never meant to hurt you, love (No, never, never)
I never meant to hurt you, love

Your DM's saying that they wit' your man
They not lying
And, baby, I ain't hiding
If you wanna leave, I got some hoes that wear your sizes
Let's be for real (Let's for real)
Let's be realistic (Let's be realistic)
Come change me
But you didn't
I'm on the same same thing
Oh, oh, ooh-oh
I'm on the same same thing
