Ooh, ooh

Ooh, ooh

Yeah

Damn, Tro, you made this?

Guess you big dog now, leave my messages on read (Read)

You ain't even responded to half of the shit that I said (Said)

Took a lil' shot, now I'm back in my head (Head)

Like why did I make all these decisions? (Decisions)

Now I'm backtracking all my steps, man, what the hell? (Hell)

Shawty played me good, if it were real love, I couldn't tell (Tell)

But if I go crazy, man, who gon' pay my bail?

Pray up to the Lord, every weapon formed, I'll prevail, yeah, yeah

Time will tell

Smoking weed, doing shrooms, taking shots, man, I couldn't see, uh

Pretty face on the right of me telling me what I should be (Be)

Got me thinking I'm complete, yeah

Yeah, world looking in, got a nigga shoulders feeling kinda heavy (Heavy)

If you ain't trust a nigga, why you tell a nigga you was ready? (Read y)

Now eighteen years, me and you, we're endeaded (Endeaded)

Tryna make shit hard, I'm just tryna be your daddy (Your daddy)

Ain't none going down backstage, baby, you couldn't see (Couldn't see)

Flashing out I see, I don't know you, you don't know me (Know me)

All new clout, girl, I don't need you for your last name (Your name)

Out the mud, I built this shit up, this real fame (Real fame)

You never loved me (Ooh)

I feel I was convenient (Convenient)

Now things done got ugly (Ugly)

Like why you ain't wearing my ring? (My ring)

Bring it back (Ooh), my heart's not safe (Nah)

Wit' you, I don't trust you like that

I wanna erase every thought I got of you

And no, I'll never ever come back

Shawty played me good if it were real love, I couldn't tell (Couldn't tell)

But if I crash out, man, who the fuck gon' pay my bail? (My bail)

Pray up to the Lord, every weapon formed, I'll prevail, yeah (Prevail)
