

# Too Much

Jacquees

Get out of there, Buggy

You gon' give up too much (Uh, uh, uh)  
Sex tryna get back at me (Uh)  
You gon' give up too much (Uh, uh)  
Out here looking for a better me (Uh, uh)  
You gon' give up too much (Uh, uh, uh)  
Pussy tryna replace me (Uh)  
You gon' give up too much (Uh, uh)  
Running from us (Uh, uh)

You gon' give up too much  
Too, too much  
Too, too much  
You gon' give up too much  
Too, too much  
Too, too much  
You gon' give up too much  
Too, too much  
Too, too much  
You gon' give up too much  
Too (Uh, uh)

I see, you been on that liquor again  
Outside, telling your friends  
It's hard to find a man (Telling 'em lies)  
Tell me why you wanna be bad  
Like I wasn't out buying you bags  
Every time these hoes show love, you wanna fight again  
Bitching my past again (Back on your petty shit)  
Packing your bags again  
Mama on my ass again

But soon as you leave, you'll be calling for cash again  
'Cause you like flashy shit  
Infinity tags, but  
But you always have to quit  
I love that you passionate  
But, baby

You gon' give up too much (Uh, uh, uh)  
Sex tryna get back at me (Uh)  
You gon' give up too much (Uh, uh)  
Out here looking for a better me (Uh, uh)  
You gon' give up too much (Uh, uh, uh)  
Pussy tryna replace me (Uh)  
You gon' give up too much (Uh, uh)  
Running from us (Uh, uh)

You gon' give up too much  
Too, too much  
Too, too much  
You gon' give up too much  
Too, too much  
Too, too much  
You gon' give up too much  
Too, too much

Too, too much  
You gon' give up too much  
Too (Uh, uh)

Gave yourself to another man  
But, girl, I understand  
That you was hoping he could love you like I can  
You just needed safety  
Someone to hold you  
Now you feeling crazy  
It's hard to replace me  
You swear that it's me  
You standing firm on your stance

But soon as you leave, you'll be calling for cash again  
'Cause you like flashy shit  
Infinity tags, but  
But you always have to quit  
I love that you passionate  
But, baby
