Me and Issa flipped yo bitch, you don't even know it
Had my own radio show, you don't even know it
Imma 19 year old king, you don't even know it
And FYB the team, you don't even know it

Aye I'm on the phone with [?], I'm on the phone with Shawn, big cash, I know I'm gon blow it
If you want ya girl, you better get ya girl, she 'round me, I swear I'm gon poke her
Sip Hi-C, toes on the beach, so much cash, I might just throw it
If it ain't 5 stacks, don't send it bruh, cause yo track gon get ignored
J's on, Michael Jordan
Polo, Ralph Lauren
European, my sweatpants, my overseas chick gorgeous
A.M on my P.J with my gold watch and it's glowin
My main chick just went to prom, so that's the last time that I'm goin'
Rich Homie Quan and Trinidad James, my partners, I'm too public eye
80 goons outside the club, and they watchin'
Lebron James front row it
That sick show what I'm throwin'
Jacquees a [?] CEO it
She want me to hit, and I know it, I know it
I'm with a hundred million dollars
Need a million Twitter follows
Got the realest niggas with me, so the baddest women follow
From Decatur where it's griddy
Keep me winnin' 'cause you hatin'
Long dreads look Jamaican
Steady elevatin'
At the top where I'm stayin'
Ain't no debatin'
All my niggas dope, all them all them taken
Eastside nigga [?]
Primetime barber shop posted with some Haitians
I got on FYB clothin, you don't even know it
Probably dyin' a fresh pair of Jordans, you don't even know it
Booked doin' them big shows, you don't even know it
Jonboy don't want that convo, if you can't afford it
Got a hundred shoes I walk on, you don't even know it
Killed 'bout a hundred shows with that Quemix, you don't even know it
I know a lotta niggas that pop shit, you don't even know it
She want a clean face, so I mopped it, you don't even know it

Your girl be on my dick, you don't even know it
10 million Youtube hits, you don't even know it
I ain't even got no deal, you don't even know it
Jimmy Iovine want me still, you don't even know it

Me and Issa flipped yo bitch, you don't even know it
Had my own radio show, you don't even know it
Imma 19 year old king, you don't even know it
And FYB the team, you don't even know it
