How long can you wait for it?
How long can you wait for it?
How long? How long?
How long can you wait for it?
How long can you wait for it?
How long? How long?

Uh, why the fuck you make me wait?
Uh, come and put the pussy all on my face, mm
Uh, I hope I don't drown, I'm bathing with the ape
Now I'm getting in your lake, I'm tryna be great
Whatever it take, whatever it take
Please, please show me a sign
I don't waste my time
You don't have to lie
I know you won't deny
Uh, I know you won't deny
Whatever I'm giving you, ooh
It is the best
It is the best, it is the best
I'ma take care of it
Like it's the "S" on my chest, "S" on my chest
I try to stack it up
I don't fuck with nothing less
Baby, I'm blessed, baby, you blessed
This ain't no test

How long can you wait for it? (Wait for it)
How long can you wait for it? (Wait for it)
How long? How long? (Yeah, yeah, yeah)
How long can you wait for it? (Wait for it)
How long can you wait for it? (Wait for it)
How long? How long?

I'm finna spend some dollars
I walked in with the ballers
I made you leave like a Dodger
I made you leave like a Dodger
You what I want
Just what I want
What I want
That's what I'm on
Yeah, that's what I'm on, yeah
I'm like full curve in my backseat
She got the shit that relax me (Relax me)
Oh, woah
Aye, yeah, yeah
Aye, yeah, yeah
We need some alone time (We need)
Some "put down your phone" time (Yeah, yeah)
The pleasure is all mine (Yes it is)
Ain't did this in a long time (Uh-uh)

How long can you wait for it? (Wait for it, uh-uh)

How long can you wait for it? (Wait for it)
How long? How long? (Yeah, yeah, yeah)
How long can you wait for it? (Wait for it)
How long can you wait for it? (Wait for it)
How long? How long?
