

When I'm Around Her

Jacquees

Nash B chillin'

And when I'm around her, I feel confident
It's like she's the only one who got some common sense
Walk straight through her door, we get to tumbling
Fuck her on the stairs then turn her back around

Smoke one, smoke one, two, smoke three
Smoke four, smoke five, smoke six, smoke seven
Eight, smoke nine, smoke ten
Ten bags
Ran through a half of the za again

Casamigos, Hennessy, damn I love your energy
Sloppy top, sex so good, make a young nigga spin the block
Pin you up against the wall
Up like we on Adderalls
Kick my shoes off at the door
'Cause I ain't got nowhere to go

When we fuck
Girl, when we fuck
Tell me that pussy mine, tell me another nigga couldn't touch
Girl, when we fuck
Tell me how good this dick is, and how deep it's going in ya gu
ts

Baby, either way that we decide to play this shit
Girl, you're my favorite
Sex on you all the time
Every day's Valentine's

Every day is Valentine's, every day is Christmas
I'm the type of nigga that she just won't forget, bruh

Every day is Valentine's, every day is Christmas
I'm the type of nigga that she just won't forget, bruh

That she just won't forget, bruh
Unforgettable, Jacquees
Unfuckwitable
