

Who's

Jacques

I caught you staring at me
I see beauty in your eyes
But you're my company
I'm not like them other guys

She like, what you want from me?
I'm not even your type
But you got my attention
You are something that I like
Let's get out this club, it's time to go
Cause I got some questions I need to know

Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
I'm impressed but I'm interested

Give me the time and the day
Girl I'll put you on my plane
I bet I never be late
Yeah, you could get all of my love

Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
I'm impressed but I'm interested

Give me the time and the day
Girl I'll put you on my plane
I bet I never be late
Yeah, you could get all of my love

I run my game, but this ain't game
Buy you anything and everything
Deep inside I know that you feel the same
I'm switching lanes in the orange thang

It's a foreign thang
I'm catching feelings babe, I cannot retain
Let's pour a cup, come get on the drank
Yeah, can you move like my misses

And do tricks like a vixen
Start switching positions
And getting hotter than a kitchen

She like, what you want from me?
I'm not even your type
But you got my attention
You are something that I like
Let's get out this Club, it's time to go
