

Woman's Worth

Jacquees

Oooooo

Yeah

I see yo nigga ain't been putting in the work
Come get what you deserve
You too good to get caught up with the worst
Yeah, I know a woman's worth
You're too fly for the regular things
Deserve a flight and shopping sprees
Baby I'll give you the world
Only if you were my girl
Keep a smile up on your face
I'll give you loving every day
Girl, I'll give you the world
Only if you were my girl

I feel like I'm everything you needing
Pull me close to you swear I'm never leaving
Body to body
I only see good things in ya
A goddess in my eyes
I only see the Queen in ya
Yeah
All your problems I can sense that
I'm tired of the chit chat
I could fix that
Got a big bank that's a big fact
He gon' hate he did that
Played with you and now you gettin' some get back

I see your nigga ain't been putting in the work
Come get what you deserve
You too good to get caught up with the worst
Yeah, I know a woman's worth
You're too fly for the regular things
Deserve a flight and shopping sprees
Baby I'll give you the world
Only if you were my girl
Keep a smile up on your face
I'll give you loving every day
Girl, I'll give you the world
Only if you were my girl

If you were my girl, it'll be so sweet
Take a flight to the tropics for a week
Ain't no arguing, no fighting, no beef
Only good vibes, good sex, good weed
I think we would probably be
The type to reach our peak
I can't see you without a me
I push to start, and don't need a key

I see your nigga ain't been putting in the work
Come get what you deserve
You too good to get caught up with the worst
Yeah, I know a woman's worth
You're too fly for the regular things

Deserve a flight and shopping spree
Baby I'll give you the world
Only if you were my girl
Keep a smile up on your face
I'll give you loving every day
Girl, I'll give you the world
Only if you were my girl
